

Takemusu Aikido Canterbury - Club Membership Fees 2010

Welcome - payment for each month's fee is due as at the **20th of the month**. Payment is due from January 2010 inclusive.

Monthly Automatic Payment

The strongly preferred (and most economical) method of staged payment is Monthly (Automatic Payment). This gives you a record your payments from your bank statement and reduces our cash handling workload. The payment form used to set up your payments should be filled in with the details below, signed and taken to your bank to be processed. **Please note** – it is entirely the student's responsibility to stop automatic payments if they terminate membership - no refunds will be given for over payment.

Direct Deposit

If you wish to deposit you fees directly into the club bank account you can do so either electronically (i.e. internet or telephone banking) or by depositing your fee at any branch of the Westpac Bank. Your deposit must include the details below.

○ Particulars:	Name of the club member or family (i.e. J Bloggs, the Smiths)
○ Code:	Payment type (Club fees)
○ Reference:	Type of membership (i.e. "senior", "senior student", "family" "junior")
○ Account name:	Takemusu Aikido Canterbury
○ The club account number:	03-1592-0435992-00

Please note that if you fail to load your name against your payment we may not be able to tell who deposited the money.

Fees (via these methods) for 2010 are:

Senior members	12 monthly payments of \$36
Senior Student (With current Student ID)	12 monthly payments of \$30
Junior (under 18 years of age)	12 monthly payments of \$18
Two or more members of the same family receive a 20% reduction on the total fee payable	

Other Payment Methods

Cheques must be correctly crossed and made payable to the "Takemusu Aikido Canterbury".

Cash must provided to a club officer before training – **please use a named envelope**. Payment in cash is our least preferred option – please organise another method.

Fees (via this method) for 2010 are:

Senior members	\$45 per month
Senior Student (With current Student ID)	\$35 per month
Junior (under 18 years of age)	\$22 per month
Casual training – all ages	\$10 per session

Full payment for 2010

Should you wish to pay your full 2010 fee you can receive a discount on the total fee **if these are paid by 1/4/10**. The discounted payments are:

Senior members:	\$400
Senior Student (With current Student ID)	\$300
Junior (under 18 years of age):	\$200

Please note that in cases where full years payment has been made but membership is terminated a refund of fees can be made. This however will be done on a pro-rata basis to **maximum** of half the fee paid.

Beginners receive the first 4 lessons or 1 month free – which ever comes first.

Please note - being up to date with your membership fees is a prerequisite for both grading and taking your place at training - sorry but 'NO PAY NO AIKIDO'
